

INTRANET DU GROUPE ENI

Pour accéder depuis une connexion en dehors d'Eni France :

Rentrer l'adresse suivante : <https://myeni.eni.com/international>

The screenshot shows the 'New MyEni' intranet homepage. At the top, there's a banner with a person working at a desk. To the left of the banner is a yellow box labeled 'New MyEni'. To the right is a large yellow button with a black bell icon. Below the banner, there are three main news cards:

- TOP PEOPLE**: Jeremy Rifkin (30 January 2018). Description: Understanding the world to change it: the bee in a great economist's bonnet.
- DIGITAL LIFE**: Warning, new phishing attack underway (26 January 2018). Description: A new case of online fraud is targeting our company.
- INTRANETS AND APPLICATIONS**: HQ applications & Subsidiary Intranets (Go to >) (08 January 2018). Description: Click on title to access to the list. Access to HQ applications and Subsidiary intranets.

At the bottom of the page, there's a navigation bar with various icons and a status bar showing 'FR 10:35 30/01/2018'.

Pour pouvoir accéder à un applicatif du groupe, cliquez sur « with password »

The screenshot shows the 'Authentication Area' login page. It has a yellow header bar. The main form area is titled 'Authentication Area' and contains the following text:

To access this area you must identify yourself as an authorized user

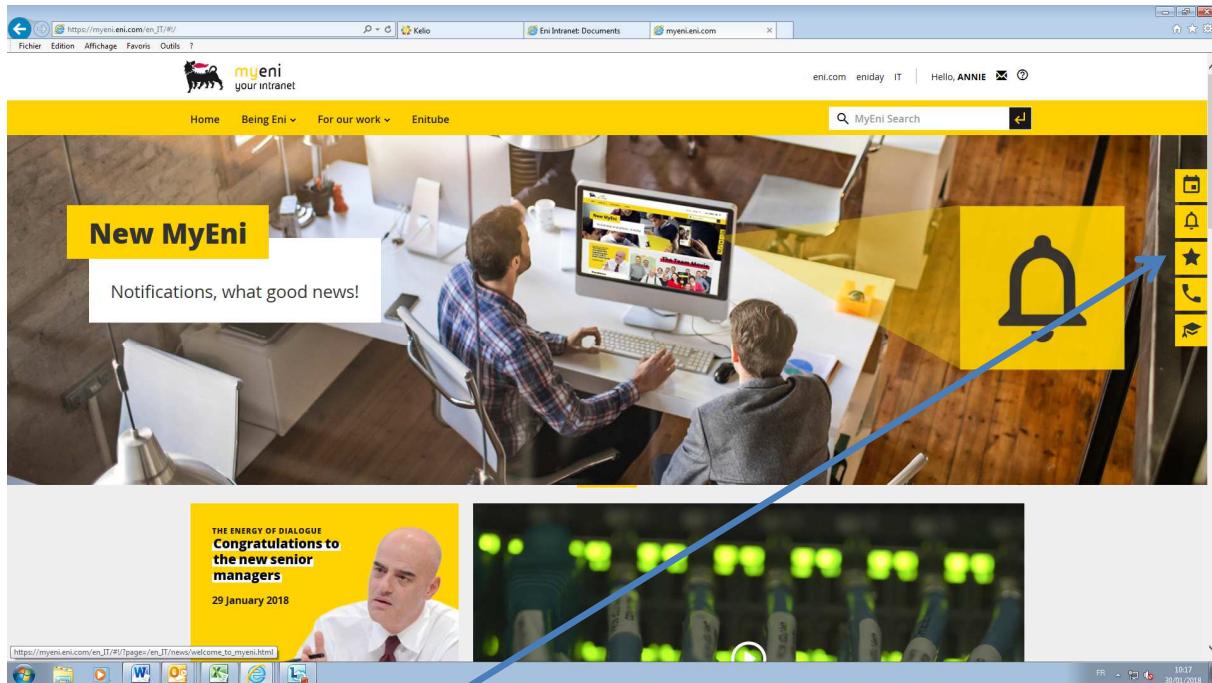

Username / e-Mail:

Password: [Forgotten password?](#)

Below the form are two links: 'Change password' and 'Login'. At the bottom, there are two small icons: one for direct access without password and one for strong authentication. A note at the bottom states: 'Passwords are transmitted over a secure channel. Use of this system is restricted to authorized users only. Any abuse will be prosecuted.'

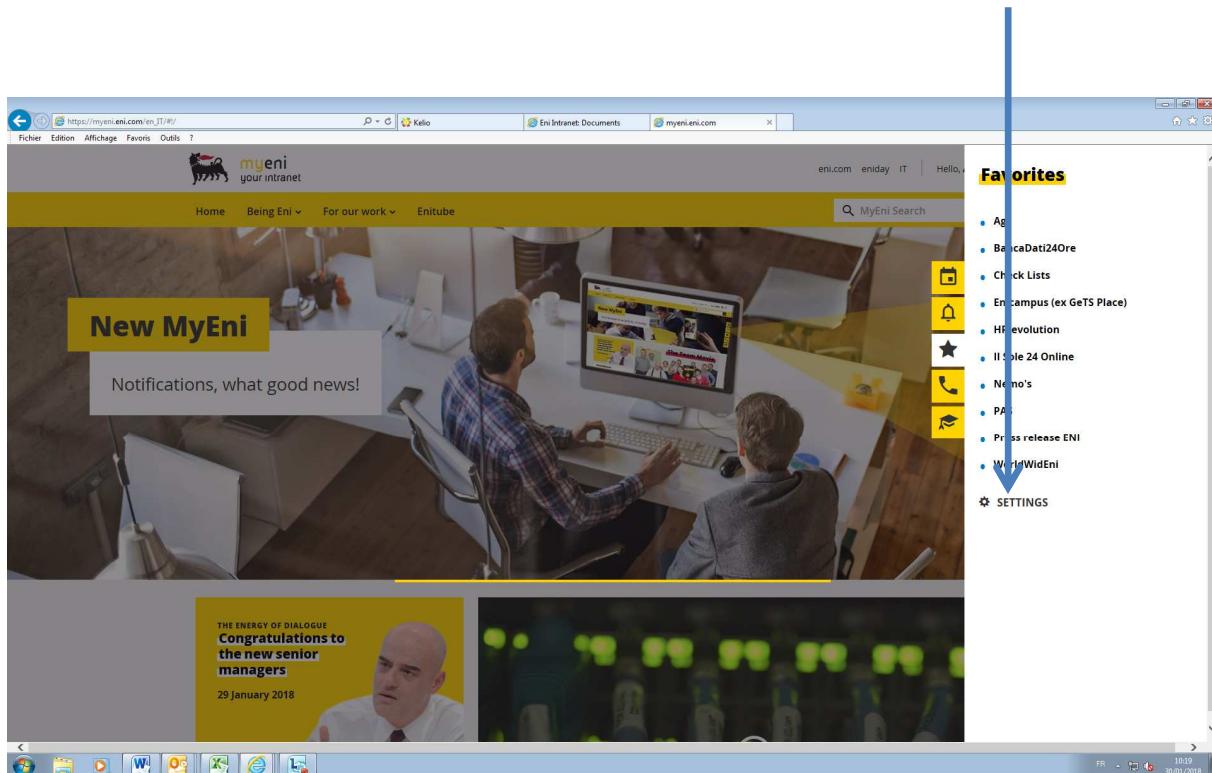

At the very bottom, there's a navigation bar with various icons and a status bar showing 'FR 10:37 30/01/2018'.

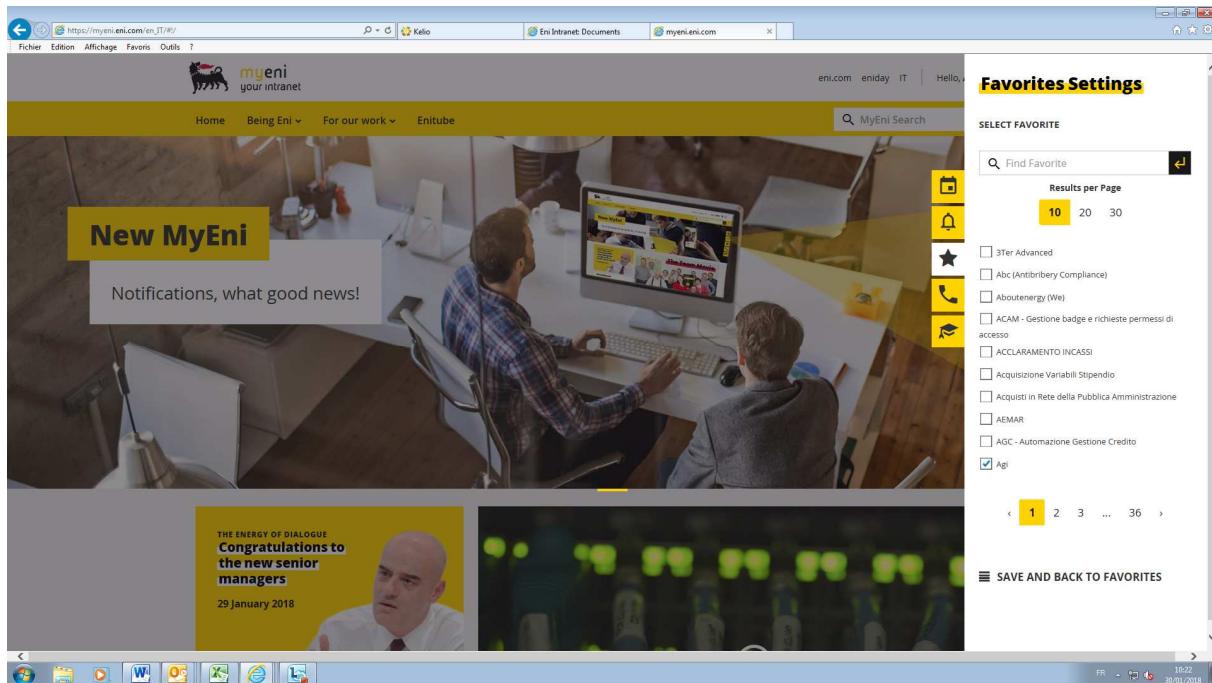

Renseigner les identifiants et mot de passe de l'utilisateur puis cliquer sur login.

En cliquant sur l'étoile, il est possible d'accéder à l'ensemble des applicatifs du groupe (Hr-e ; enicampus Gets place ; check list ;...).

Si un applicatif n'apparaît pas, il faut le rajouter en cliquant sur « SETTINGS »

Il est possible, ici, de rajouter ou supprimer des favoris.

Pour valider son choix : cliquer sur « Save and back to favorites ».

Il n'y a plus qu'à cliquer sur le favori pour accéder à l'applicatif souhaité.
